BITS FROM BRENT

As we get to rolling right into another year there is so much to do and so little time. Scripture tells us that the fields are white into harvest in John 4:35.

In talking to many of our pastors throughout the Twin Rivers Association they are excited about the ministry going on and the possibilities right outside their doors. As someone once said we might be the only Bible they ever read especially if they never come inside the doors of the church.

We are reminded in scripture that God does have a plan, a perfect plan. God will work all things "together for good to them that love God, to them who are called according to his purposes"

Romans 8:28

Frustration is inevitable as the saints of God battle the forces of evil. If we would enjoy the

blessings of God, we must embrace the plan of God. He who knows all and owns all will give us "the desires" of our hearts Psalm 37:4

We are called of God to be obedient and serve the Lord Jesus Christ. To keep the great commission, to tell others as we are going. Take time to share the Good News. Invite someone to come with you to church. Invite them to a special event at your church. Life is too short to not make a difference! Make a difference for the Kingdom of God in 2012.

We pray that God will bless us as we reach out to our communities in this coming year. May 2012 be the best year ever. May others see Christ in us.

Brent L. Campbell
Director of Missions
Twin Rivers Baptist Association

OPPORTUNITIES TO SERVE

I would like to ask you to pray about opportunities to serve throughout the Twin Rivers Baptist Association this year. We will be having 6 camps total and always need more help at these. From kitchen help to cabin attendants and everything in between. Churches having VBS that could use another hand

If you could volunteer to help at another church for a couple hours for a 5 day period.

There are Mission trips: There is a World Changers trip going out the end of June to Texas. This is a construction mission trip. Especially looking for High school age students that could give a week of their

time to help out. We are partnering with Sault Ste Marie, Canada and looking for groups that would be willing to go there and help out for a 4 or 5 day period.

Brent L. Campbell

College Students if your are interested in working as a Summer Missionary for our association please fill out an application on the MBC

website, and contact us to let us know you are interested, the deadline is fast approaching.

World Changers

It is not too late to sign up for this mission trip, we have a few slots open and would love to have you join us.

Let the Peace of Christ Rule in Your Hearts Colossian 3:15

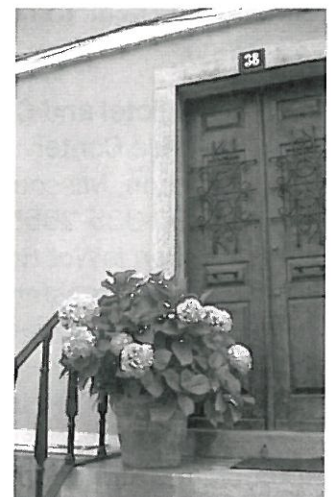

M E D I A L I B R A R Y

Thank you so much for introducing me to the Truth Project. I believe each session covered issues that every Christian should understand more deeply. Each study was very interesting and thought provoking. I came away from the study with a greater appreciation for my Christian faith and how that faith can be expressed in

the world. The last three sessions covering The American Experiment, Labor, and Community Involvement received much praise from the participants. Those involved in the study, I believe, have a greater insight regarding the importance of being on mission in the world. Thank you. Pastor John Zellmer

*New Hope Baptist Church
Elsberry, Missouri*

The TRUTH Project CURRENTLY AVAILABLE in our Media Library as well as Ken Ham, Beth Moore and others Bible studies contact us to get details and to reserve one to use.

ANNIE ARMSTRONG EASTER OFFERING

**Send North
America: St.
Louis spurring
spiritual revitali-
zation**

St. Louis Southern Baptists hope a revitalized city may soon be on the horizon. Yet they're not banking on economics or politics to make it happen.

Instead, they're banking on the gospel.

Through Send North America: St. Louis, local Southern Baptists are planning to start more than 75 new SBC churches in the city over the next five years.

Learn through the videos and stories linked below a little about the effort and some of the impact church planters are already having in the city. And if you've not already done so, lead your church to get mobilized as part of [Send North America](#)
