

A Complete Missions Experience

The World Changers experience is a complete approach to a high school student mission project which includes

- personal preparation
- group development
- an understanding of the on-mission lifestyle.

Your life will be changed as you participate in a hands-on mission's project.

You will learn to

- Put your faith into action as you work on a disadvantaged resident's home.
- Share the love of Christ through your service.
- You will be challenged to adopt the on-mission lifestyle when you return home.
- You will also be called to move beyond a one-week experience to a deeper level of commitment in your relationship with Jesus Christ.
